BACK TO SCHOOL EDITION 2021

LAKESHORE LIGHT

Thank you Transportation Department and staff for getting our students to school safely!

Join us in engaging the minds, spirits and talents of our students and teachers.

The LEF RAFFLE is taking place now! Support the LEF and WIN!

More information inside!

We are grateful for the financial support of the **LAKESHORE EXCELLENCE FOUNDATION** and for the efforts of the LEF all-volunteer board.

Grounded in Tradition – Committed to Excellence

Message from the Superintendent

Superintendent Greg Eding

My family and I would like to express our excitement and joy as we enter the Lakeshore district to learn and do life together.

Erica and I are Hope College sweethearts and have been married 26 years. Together we have four children who have kept us busy at band concerts, athletic fields/gyms, and swimming pools. Our oldest, Gerrit, is a graduate of Saginaw Valley University where he majored in Communications and Criminal Justice. Rileigh graduated from Albion College and is currently in the Physical Therapy doctoral program at Grand Valley State University. Evan is starting his second year at Detroit Mercy University, studying Mechanical Engineering. And Audra will be headed to Hope College next fall pursuing a degree in Elementary Education. Life sure has been good!

What drew my attention to Lakeshore Public Schools is an environment that is focused on both a strong set of values, as well as a commitment to excellence in academics.

As I visited each building this spring, it was clear that the staff cares deeply about each and every student. This caring attitude, coupled with a track record of academic excellence, is what separates Lakeshore from other districts.

The 2020-2021 school year was incredibly challenging for everyone. Throughout the pandemic, Lakeshore did an amazing job of delivering an excellent educational experience for each student. As we enter this coming school year, my encouragement for you is to focus on a positive mindset and provide those around you with smiles, joy, and a helping hand when needed. Working together and staying positive are completely in our control and are traits that can benefit anyone at any time.

School will start before you know it. **Make the best of these warm summer months and spend as much time as you can with friends and family!**

Sincerely,
Greg Eding
geding@lpslancer.net

The mission of Lakeshore Public Schools, in partnership with families and the community, is to guide students toward achieving educational excellence by engaging, inspiring and empowering them to think, learn and pursue their individual passions with knowledge, confidence, and integrity – the foundation of their future.

2021-2022 Board of Education Regular Meetings

Regular Board meetings are held on the second Monday of the month at 5:30 P.M. in the Lakeshore High School LEF Learning Center.

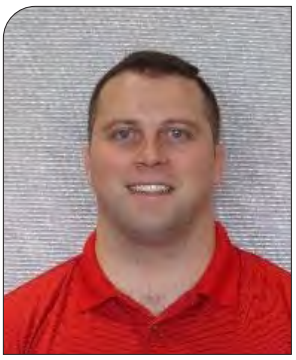
Welcome New Staff - We're So Happy You Are Here!

Adam Albertin
Science, LHS

Adam received his bachelor's degree from Valparaiso University and has spent the last three years teaching in Portage and Merrillville, IN.



Ryan Quinn
Science, LHS

Ryan received his bachelor's degree from Central Michigan University and his master's from Bethel College. He has previously taught at Niles Community Schools, and also in Indiana and most recently in Cincinnati.

Danny Thompson
Social Studies, LHS

Danny will be teaching high school social studies and is also the new varsity football coach. He received his bachelor's degree from Olivet College and previously taught at St. Cloud and Thornapple Kellogg High Schools.

Konstandina (Dina) Karounos
7th Grade Science, Middle School

Dina received her bachelor's degree from the University of Chicago and her master's from the University of St. Francis. Until 2015, she taught at Memorial Junior High School in Lansing, IL and most recently has been substitute teaching in our area.

Nicole Oman
4th Grade, Stewart Elementary

Nicole, of Watervliet, received her bachelor's degree from Western Michigan University and previously was an assistant teacher in Richland.

Meredith Lane
5th Grade, Stewart Elementary

Meredith received her bachelor's degree from Grand Valley State University and taught in Cedar Springs last school year. She is now residing in Stevensville.

Nina Amicarelli

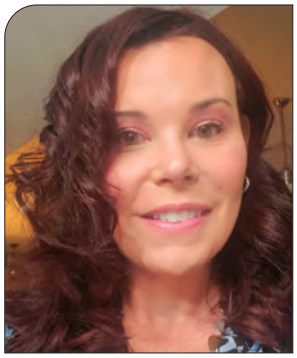
4th Grade, Stewart Elementary

Nina is from Baroda and is a 2011 graduate of Lakeshore. She received her bachelor's degree from Western Michigan University and last year was teaching at Brandywine Community Schools.

Amy Burton

Special Education, Stewart Elementary

Amy Burton is the Special Education Resource Room Teacher at Stewart Elementary. She received her bachelor's degree from Bowling Green State University in Ohio and her master's from Western Michigan University. Amy has had many years of experience teaching in Benton Harbor and Eau Claire.



Holly Duthler

Kindergarten, Hollywood Elementary

Holly received her bachelor and master degrees from Western Michigan University. She taught many years as a lower elementary teacher at Buchanan Community Schools.

Krista Elkins

Secondary School Counselor

Krista just received her school counselor license from Central Michigan University. She has been employed by a few area colleges and previously was a local high school band director.

12th Annual Adam Tilly Memorial Golf Outing

12th Annual Adam Tilly Memorial Golf Outing

On July 10th, 92 golfers came together for a great day at Lake Michigan Hills Golf Course to play in memory of a former teammate, classmate, friend and son, Adam Tilly.

Adam was a 2001 Lakeshore High School graduate. He was a strong athlete, starting for some great Lancer football squads. He threw shot put and discus (and occasionally ran 400's) and was team captain for a track team that won state. He always excelled in the classroom and served two years on student council. Adam was a great individual on and off the field – a selfless teammate who ALWAYS put the team's objectives above and beyond personal accolades.

In April 2005, he graduated from Michigan Technological University with a Bachelor of Science in Civil Engineering degree. Adam was a recipient of the prestigious Thompson Scholarship, which is awarded to outstanding students in the university's civil engineering program. After graduating from Michigan Tech, he accepted a civil engineering position with Pearson Construction Co.

In July of 2006, Adam's life was cut short by melanoma cancer. In memory of Adam, Hans Koppenhoefer (friend and teammate) has organized this yearly event. This once small outing among friends has grown into much more – a 501(c)(3) non-profit organization, AT53Inc., awarding yearly scholarships to outstanding Lakeshore High School seniors. AT53 Inc., has proudly awarded $23,000.00 in scholarships in the past eight years. Great work Hans!

AT53 Inc., is proud to award three scholarships this year to outstanding graduates. **Madisen Kozminski** who will attend Michigan State University and major in Marketing. **Lars Samuel** will also attend Michigan State University to pursue a degree in Actuarial Science. And **Justin (J.J.) Bushu** will be attending Kalamazoo Valley Community College to obtain an associate degree. Best of luck to all of you!

Adam is also remembered by his family's gift to the football program, a storage building on the side of Lancer stadium. The building with the #53, Adam's three–year varsity football number!

This year's outing was one of the best by far! With golfers and volunteers coming together for a wonderful event to honor and remember Adam. AT53Inc. wishes to extend a special thank you to our generous hole sponsors, donors, golfers, community leaders, volunteers, family and friends. We are grateful for your support, and proud to represent such a fine young man. We could not do this without you!

The Board of AT53 Inc. – Hans & Lisa Koppenhoefer, Brandon Cerecke, Brett Schlender, Chris Tilly, Scott & Kristin Merrill

Lakeshore Schools Meal Program

Proudly providing students with quality meals

Children who come to school hungry may find it difficult to stay alert and learn. The school breakfast program helps by providing children with a great start to their day, and it's FREE. All students are invited to participate. All schools are serving breakfast.

---------- High School/Middle School breakfast at 7:15 A.M. ----------
---------- Elementary School breakfast at 8:10 A.M. ----------

The Lakeshore Food Service staff looks forward to providing you and your child a quality meal program. ALL menus will be posted on Lakeshore School's website under the "For Parents" tab on each school's page.

The USDA waiver has been extended for the 2021/2022 school year. Every student can receive one free breakfast and one free lunch per day. Second meals and all à la carte purchases will be taken out of students accounts. Milk or juice purchases for meals brought from home will be $.60 per drink. Please have money in students accounts for these purchases.

Free and reduced meal applications are still being accepted. Applications can be found on the Lakeshore website food service page. There are additional benefits for those approved for free/reduced meals. Only one application per family is needed. Other students cannot identify who is free or reduced. If you have received a letter stating you are free/reduced, please do not fill out an application.

We offer online payments at: mymealtime.com. There is a fee for this service only if you make a deposit. We strongly recommend having an account so you can view your child's account activity. You will need your child's Student ID number, which will be given to you with back to school information.

All balances are forwarded in June to the next school year. Please pre-pay for your child's purchases as needed. We have a negative balance policy that can be viewed on our website.

Envelopes are available by all deposit boxes and in Elementary offices. You can pay by cash or check (Lakeshore Public Schools). All deposits need to be made before 10:00 A.M. Elementary students turn in deposits to their teacher. Middle school students please use the deposit box located by the office. High school students can use deposit boxes located in the principal's office or the cafeteria. Parents that are dropping off money can put in marked envelope and leave in drop box outside by entrance.

Pam Greiffendorf, Food Service Director
428-1400, ext. 2965
Lakeshore Public Schools

My MealTime

Lakeshore Schools has partnered with *My MealTime*, a fast, secure online service for making credit or debit card deposits and monitoring your student's lunch account.

mymealtime.com

Download the mobile app
Use your device's web browser and go to mymealtime.com. If you're on a mobile device, from the My MealTime sign-in screen, choose the appropriate button to download the My MealTime app.

Easy steps to use *My MealTime*

Step 1: Register. Click or tap the Register button and follow the onscreen prompts to create your *My MealTime* account.

Step 2: Link Your Student. Click or tap the 'Add Student' button, then find your student's school. Link them to your profile by using their student ID number that was provided by your student's school.

Step 3: Make a Deposit. You may choose to store your credit/ debit card for quick and easy repeat use.

LAKESHORE LANCERS

Lakeshore Transportation | www.lpslancers.net | PH 269 428 1400

Lakeshore School Bus Transportation

The Lakeshore Public Schools Transportation Department's mission is to provide the safest and most efficient means of transporting our students to and from school.

Red stop sign means "STOP"
Green smiley face means "CROSS SAFELY"

We appreciate your continued support and look forward to a safe school year! GO LANCERS!

2021-2022 Bus Routes

Lakeshore transportation will post preliminary routes on the transportation page of the website for the 2021/2022 school year on August 12th at 5:00 P.M. These preliminary routes will help plan and offer appropriate pick-up times.

As many parents will be exploring needs for transportation late into August, please check the website after 5:00 P.M. on August 24th. These will be the final routes for the 1st day of school. The website will be periodically updated throughout the school year. New students and extracurricular activities impact routing schedules.

Bus Stop Etiquette:

Please have your child at the bus stop five minutes before the listed estimated time. On Late-Start Wednesdays, high school/middle school buses run 40 minutes later, and elementary buses run 50 minutes later. Late Start Wednesdays begin September 8, 2021

Student Crossing Procedure:

To Board the Bus:

1. Students wait in a group at the designated bus stop at least 10 feet away from the edge of the roadway and watch the bus driver for the signal to cross.
2. Bus drivers will display a sign (see below) to indicate when it is safe to cross the street.
3. Students proceed directly across the road always staying well in front of the bus and board the bus.
4. Do not stop in the middle of the street or cross behind the bus.
5. Bus stops will be placed at legal locations consistent with Board policy or if required by law.

When Exiting the Bus:

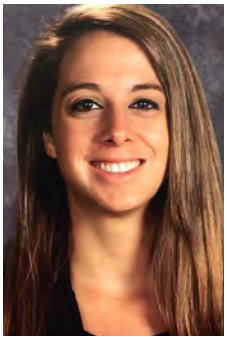
1. Students exit the bus and take 10 giant steps in front of the bus staying on the side of the street.
2. Students stand in a group and look to the bus driver for the signal to cross.
3. Bus drivers will display a sign to indicate when it is safe to cross the street.
   Red stop sign means "STOP"
   Green smiley face means "CROSS SAFELY"
4. Students proceed to a point even with the left side of the bus and stop.
5. Students look left and right for passing cars.
6. Students look to the driver for instruction to complete the crossing.
7. Do not cross behind the bus.
8. If a paper or article goes under the school bus, always ask the bus driver for help.
9. Do not get mail from roadside mailboxes until after the bus leaves the stop.

Student Delivery Specialists:

Lakeshore Transportation is looking forward to another safe year of transporting our students. If you have any questions or concerns, do not hesitate to drop us a line at (269)428-1412 or email nawhite@lpslancer.net.

Natalie Macerata
Hollywood Principal

Rachel Kyncl
Roosevelt Principal



Samantha Lantis
Stewart Principal

Welcome to the 21-22 school year!

Our hope is that you have enjoyed our beautiful summer weather and had some great adventures with your family. Our faculty and staff are looking forward to a new school year and are working hard to see that your child's learning experience at Lakeshore Public Schools is a successful and happy one.

During this last school year, we had to overcome many challenges in relation to COVID-19. This year, we are looking forward to many things returning to normal. **As we embark on this new school year, we look forward to seeing everyone at our Meet and Greet on August 25th from 2:30-3:30 at your respective buildings.**

Back to School Night Elementary Information:

Roosevelt, September 14th, Y5-2nd 6:00-6:45/3rd-5th 6:45-7:30
Stewart, September 15th, Y5-2nd 6:00-6:45/3rd-5th 6:45-7:30
Hollywood, September 16th, Y5-2nd 6:00-6:45/3rd-5th 6:45-7:30

Roosevelt 3rd graders helping out by taking the cart back down to the kitchen.

We would like to give special thanks and recognition to our food service department and support staff at all three elementary buildings. Last year brought many challenges when working to keep our students cohorted throughout the day. One challenge was that we were eating in classrooms on a daily basis. Meals were prepared and then delivered to each classroom.

First Day of School

The first day of school is Monday, August 30, 2021.

Elementary Daily Schedule

Students may enter the building at 8:10 A.M.

Doors open 8:10 A.M.
School starts 8:25 A.M.
Shuttle dismissal 3:30 P.M.
Walkers/Car dismissal 3:30 P.M.
Bus dismissal 3:45 P.M.

Late Start Wednesday

Begins September 8, 2021
Doors open 8:55 A.M.
School starts 9:10 A.M.
Shuttle dismissal 3:30 P.M.
Walkers/Car dismissal 3:30 P.M.
Bus dismissal 3:45 PM

Half Day Schedule

Dismissal cars/shuttles 11:45 A.M.
Dismissal for buses 12:00 P.M.

Lakeshore Elementary | www.lpslancers.net | PH 269 428 1400

Thank you to all of our families for their encouragement and support throughout the school year. Your support means the world to us!

We are wishing our new 6th graders a great transition into middle school! End of year celebrations looked a little different in 2021, but we were able to celebrate none the less!

FUN AT LAKESHORE ELEMENTARY!

Hollywood Kindergarten students meet Superintendent Mr. Eding for the very first time!

5th grade parents at Hollywood celebrated their students by driving through the parking lot with decorated cars!

4th grade students enjoying a Popsicle and special drawing activity during Fun Day!

Aluminum Tab Collection to Raise Funds for Ronald McDonald House

Hollywood Elementary collected the most tabs in 2020/2021. Laura Bradley presented the Traveling Plaque to Principal Natalie Macerata at the close of the school year.

We will continue to collect all sizes and color of aluminum tabs in the upcoming 2021-2022 school year. We hope to make it the biggest and best year ever. Tabs can be turned in at any Lakeshore School office. You can also contact us at lbmb1958@yahoo.com for pickup or drop off.

Ronald McDonald House at Riley's Children Hospital

Please help us in our effort to support local families in need as the Lakeshore Lancer community continues to pay it forward!

LEF
LAKESHORE
EXCELLENCE
FOUNDATION

Welcome to the Board

Heather Valenziano

Heather Valenziano

Heather is a graduate of Hartford High School and the University of Michigan. She has enjoyed a 30-year career in corporate events and communications, organizing and leading large programs for Fortune 50 companies around the world. She was a board member for We Care, Inc. and President of the St. Basil Catholic School Board before moving to St. Joseph in 2012 with her family. Her daughter, Francesca, is a senior at the University of Michigan and son, Jack, a junior at Lakeshore. They all love living on the shores of Lake Michigan and the lifestyle this area provides. When not away for business you'll find her in the yoga studios, walking and exercising with friends and family, attending Jack's athletic events, reading or cooking. Heather is honored to have been invited to the LEF board and looks forward to becoming involved to support Lakeshore Public Schools.

Rachel Scholten

Rachel Scholten

Rachel is a proud alumna of Lakeshore High School and feels honored to support Lakeshore Schools through LEF. Rachel and her husband Mark have two sons in the Lakeshore School District, and one of her great joys is to help and volunteer within the school. By doing so, she is able to see how valuable LEF is to both Lakeshore Schools and the local community.

As a Realtor® for Century 21 Affiliated, Rachel has the opportunity to share our area with others and to show off the wonderful support that exists inside the Lakeshore community. You can often find Rachel on the sidelines of the soccer, baseball or football fields (basketball court in the winter) supporting her boys, Drew and Derek.

When not juggling the sports schedules, she loves to walk the family dog, Champ, and spend time with her friends and family. Traveling and family vacations are her favorite adventures.

Rachel holds a Bachelor of Science degree from Cornerstone University, where she played soccer for the Golden Eagles.

We are excited to add Rachel Scholten to our LEF board of trustees.

Thank you to our board members who are "retiring" from LEF.

Rachel Hall

Phil Freeman

"Retirement is not the end of the road, it's the beginning of a new highway!"

We are grateful to our board members, who have completed their terms of service and have retired from active service to the Lakeshore Excellence Foundation. Laurie Schmidt, Rachel Hall and Phil Freeman have had a tremendous impact on our board, each in very different ways. Although each person received an engraved cutting board, we were only able to capture pictures with Rachel and Phil. We hope they enjoy the small token of appreciation.

By the way, those amazing boards were created in Lakeshore's very own wood shop, which has received funding from LEF. We appreciate the work from the woodworking class!

As We Look Ahead ...

Lakeshore Public School Community and Our Donors

J.C. Anderson, LEF Chairman

As I think about the past 18 months, I feel that every individual, organization and business has been challenged to become more flexible, adaptable and change due to the conditions that developed during this time period. We have all been challenged with the global Coronavirus pandemic and the national outrage at the death of George Floyd in Minneapolis. We have seen Lakeshore Public Schools develop a Virtual Learning Center, social distancing requirements, masking requirements and a contact tracing protocol. The Board of Education has developed and publicly announced a ***Diversity, Equity & Inclusion (DEI)*** statement. I feel that our culture has been forever changed by these events. Change may be difficult, but the forward progress that comes out of this evolution will make us all more aware and resilient.

As such, the Lakeshore Excellence Foundation (LEF) has attempted to be flexible and adaptive to these changing conditions. Several examples of these changes include:

1. Conducted our foundation business using Google Meet. *Our board had always met in person for our monthly meetings.*
2. Provided an option to suspend Lancer Leader contributions for 2020 due to the business conditions.
3. Suspended our traditional fundraising actions *(Online Auction and Golf Scramble)* due to the business conditions caused by the Coronavirus.
4. Developed an additional fundraiser *(Cash Raffle)* when faced with the suspension of our traditional fundraisers.
5. Evaluated and approved the financial support for a HVAC Program, as the trades curriculum becomes increasingly more important versus the traditional college prep.
6. Implemented social distancing and a boxed food option, so that we could safely host our LEF Golf Scramble in 2021. We thank this community for the great support and participation that enabled this event to become the most financially successful golf outing that we have ever conducted, raising approximately $30,100. *(As a side note, our most successful fundraiser was the presentation by Navy Seal Rob O'Neil that netted some $96,000 in 2015.)*
7. Instituted a public commitment to Diversity, Equity & Inclusion(DEI). Please see page 4 of this publication regarding additional information about how LEF is approaching DEI.
8. Another challenge for our LEF Board's flexibility and adaptability will be the change in Superintendents, as Phil Freeman retires and Greg Eding becomes our new school administrative leader. Phil certainly took the educational experience at Lakeshore to a higher level. However, we look forward to working with Greg to dream, think and execute projects that further enhance educational excellence across our school district.

As you can see, these examples reflect a tremendous amount of change, which everyone has and continues to deal with. However, there continues to be one important area that remains unchanged ... our Lakeshore School system receives less funding than 80% of the other public schools in Michigan. This is measured on a revenue per student metric, and has been a constant for the past several years. As such, we must remain vigilant in our efforts to create an educational experience that is well above average for our students. We will continue to rely on the support of our generous community.

To our Lancer Leaders *($1,000 or more per year contribution)*, we say a very sincere thank you.

To those of you who are not contributors to the LEF, we would appreciate the opportunity to discuss this tax deductible, charitable donation option with you. We all have limited funds for discretionary contributions, but this is a great investment in our kids and their education. Please give me a call (269) 921-2513 or send me an email ... anderjcna@gmail.com ... and let's talk!

J.C. Anderson, LEF Chairman
anderjcna@gmail.com
(269) 921-2513

LEF Commits to DEI - Diversity, Equity and Inclusion

Our dedication to excellent educational experiences is the cornerstone of the Lakeshore Excellence Foundation. We are also committing to a greater focus on diversity, equity and inclusion (DEI) in order to meet our goal of ensuring that all people are treated fairly so that everyone can achieve their full potential.

Announcing our commitment to DEI is about showing active support for diversity, equity and inclusion. It has been a belief of ours from the beginning days of our Foundation, that everyone in the Lakeshore School District should receive an excellent education. We understand that in order to do that, each individual must feel safe and believe they have the same opportunities to succeed. We want each individual to thrive in our schools and believe that diversity is the key to ensure that happens.

The Chief Diversity Officer at the University of Michigan, Robert Sellers, characterizes DEI in a simple yet meaningful way: "Diversity is where everyone is invited to the party. Equity means that everyone gets to contribute to the playlist. Inclusion means that everyone has the opportunity to dance." This is, hopefully, a simplified, yet meaningful, way to think about DEI.

We commit to increasing diversity and looking for opportunities to represent the makeup of our community. Supporting diversity is inclusive of race, ethnicity, gender and gender identity, sexual orientation, socioeconomic status, language, culture, national origin, religious commitments, age, (dis) ability status and political perspective.

We commit to equity through the fair treatment, access, opportunity, and advancement for all people, while at the same time striving to identify and eliminate barriers that have prevented the full participation of some groups.

We commit to pursuing inclusion by creating environments in which any individual or group can be and feel welcomed, respected, supported, and valued to fully participate. An inclusive and welcoming climate embraces differences and offers respect in words and actions for all people. We believe it is the bedrock of true teamwork, creativity and ultimately excellence.

Through our commitment to DEI, our foundation will ensure the projects and grants advance our capabilities and represent diverse perspectives so that every individual is positively impacted by our collective support. One of the first action steps we've taken was to nominate Jim Roberts as our Vice Chair of DEI. Jim is passionate about DEI and we feel very fortunate to have Jim on our LEF Board. It is a part of who he is and what he does in his business.

Our foundation's DEI activities will support and complement the actions adopted by the Lakeshore School Board. Together we will foster an environment where everyone has the opportunity for excellence in their educational pursuits.

This may be the first you are hearing LEF discuss DEI but it certainly won't be the last. Please look for more information about DEI in action in our future communications.

LEF is proud to support all of our students and staff. We enjoy giving an extra special send-off to our seniors by sponsoring the senior signs.

19th Annual Lakeshore Golf Scramble

Thank you for being an important part of the Lakeshore Excellence Foundation story.

On behalf of the LEF Golf Committee, I would like to extend our sincere gratitude for all those who made our annual event a success. Whether you were an Eagle Sponsor, Birdie Sponsor or a Bogie Sponsor, your sponsorship was crucial in making this our most successful golf outing on record. Once again, our local businesses supported us with a variety of door prizes, so please thank them for their donations.

We would also like to thank each and every golfer for their participation. We had the most golfers (131) that we have ever had. We look forward to hosting the 20th Annual LEF Golf Scramble next June. Hopefully, the day will be as great as it was this year. Thanks to Harbor Shores for providing a great venue.

Please know that we appreciate your support and as always, GO LANCERS!!

LEF LAKESHORE EXCELLENCE FOUNDATION

Firing Up Creativity!

Art plays a significant role in our childhood development. And as parents we love to see our kids' talents fostered through structured learning experiences at school. It's wonderful to see the excitement on their faces when they bring home a watercolor painting or a hand-drawn picture. If our children are exposed to art at a young age, they are able to tap into their imagination. That confidence in their creativity will have a positive impact throughout their lives.

Clay is one medium that promotes creativity. It is especially helpful in developing fine motor skills in young children. It also encourages self expression and problem solving skills. LEF is proud to support art at all levels of our educational experience. This year the LEF provided a grant to purchase new kilns for our three elementary schools, and one for the high school. We are looking forward to the masterpieces that will be created by our students during the next school year.

If your child has an art project that they are proud of, please share it with us on our LEF Facebook Page. We'd love to help bring a spotlight to their talents!

Lakeshore Lancers Network Partnership

Joe Jason

The Lakeshore Excellence Foundation is always looking for opportunities to spread our message and gain support for our mission, which focuses on providing programs, grants, and educational opportunities for the students, staff and community of Lakeshore Public Schools. So what better way than to team up with a group that offers hundreds of hours of content focused exclusively on our area. We are excited to announce our partnership with the Lakeshore Lancers Network (LLN).

"While the Lakeshore Lancers Network primarily broadcasts sports, it's our goal to tell the great stories of how an organization like the LEF is impacting students in the district," said Joe Jason, President of Joe Jason Media LLC and the LLN. "The LEF is doing such tremendous work, much of it unnoticed to the general public. The LEF story must be told and promoted. We are so excited about this partnership with the LEF and hope to be a small part of their future successes."

Jason offered his 42 years of broadcast experience and media platforms, which includes seven high school broadcast networks, to area school superintendents when they agreed to form the cooperative that is the Lakeshore Lancers Network. LLN listeners can keep up-to-date on the latest scores, interviews, and play-by-play coverage of their favorite local teams, both live and *On Demand*.

"The opportunity to work with the Lakeshore Lancer Network and Joe Jason is a leap forward in our ability to better market the Lakeshore Excellence Foundation," said LEF Chairman J.C. Anderson. "We strive to reach everyone within the local area with our message, and the LLN has a strong following due to the strength of the Lakeshore athletic program."

Check out the Lakeshore Lancers Network on their Facebook page and at LakeshoreLancersNetwork.com. Listen in as Joe Jason interviews J.C. Anderson about upcoming projects and *all things LEF* on the Lakeshore Lancers Network.

WAYS TO KEEP IN TOUCH

1. Join the Lakeshore High School Alumni Facebook Group:
   Search for "Lakeshore High School Alumni" and Join the Group
2. Register on the LEF website for email updates:
   lefonline.org/alumni/get-registered

If you graduated from Lakeshore High School, this is a great way to stay in touch!

LAKESHORE EXCELLENCE FOUNDATION ENDOWMENT FUND

The Endowment Fund is our long-term strategy to funding the LEF mission of learning for generations to come.

Annually, the LEF Board evaluates the health of the fund, makes contributions based on giving and project needs, and reinvests the earned interest. If you are interested in learning more about the Endowment Fund, please contact J.C. Anderson at (269) 921-2513 or email at anderjcna@gmail.com.

THE FACTS

The state funding for public schools in Michigan continues to be a challenge and Lakeshore is in the bottom 25% in funding. Yes, 75% of Michigan public school districts receive more state funding on a revenue per student basis!

SIX WAYS TO GIVE

FUN AT LAKESHORE ELEMENTARY!

A new tradition was started at Roosevelt this year, the 5th Grade Breakfast! Our 5th graders enjoyed time together with a delicious breakfast prepared by our kitchen staff and were happy to be able to be in the gym together. We are looking forward to this special celebration for years to come!

Mrs. Meyer transformed her kindergarten classroom at Stewart into an amazing glow room! The students participated in writing with highlighters, subtracting with glow sticks and much more! The students dressed in white or neon so they could glow, too!

Second grade teachers extended students' math learning. Students used their knowledge of arrays, double digit addition, and multiplication to develop their own plot of land. They had to buy squares of land to prepare for purchasing buildings and animals.

Our very special mascot, Stewie Neutron, sent our kids off for the summer in style! We can't wait to see you in the fall, Stewart Family!

Hollywood Elementary, 3rd Annual Book Swap

Hollywood Elementary hosted and celebrated its 3rd Annual Book Swap this past Spring. Book Swap purchases were made with student designed Book Bucks. Students participated by bringing in books (in good condition and appropriate for elementary students) and exchanging them for Book Bucks.

When a student brought books to school they received "Book Bucks." Chapter books were traded for two Book Bucks each, picture books equal one Book Buck. Once the books were collected and sorted they were organized into a bookstore located in the school's computer lab. Students who had Book Bucks were able to "shop" for a "new to them" book to take home!

Over 4,000 books were swapped this year. Every student was able to earn at least one book buck, for shopping in the Book Swap. Many students had book bucks left over. All leftover books were donated to United Way.

Lancer Day

August 23, 2021
8-10 A.M. and 4-6 P.M.
6th graders and new students will receive their Chromebooks and may tour the building.

First Day of School

The first day of school is Monday, August 30. It is a half day of school with dismissal at 10:58 A.M.

Middle School Daily Schedule

Students may enter the building at 7:15 A.M.

Doors open 7:15 A.M.
School starts 7:40 A.M.
Dismissal 2:43 P.M.

Late Start Wednesday
Begins September 8, 2021
Doors open 7:55 A.M.
School starts 8:20 A.M.
Dismissal 2:43 PM

Half Days Schedule
Doors open 7:15 A.M.
School starts at 7:40 A.M.
Dismissal 10:58 A.M.

8th Grade Design Production -- Quotes Display

Thank you Lakeshore Middle School staff. The Design Production students have taken your favorite educational quotes and created bricks for this display in the hallway by our classroom.

We Are Your Future

The Lakeshore Middle School Choirs performed their spring concert, "We Are Your Future" on May 18, 2021, at the Shadowland Pavilion in St. Joseph.
The choirs were grateful for the opportunity to have a performance and the audience was appreciative of the music, the singers, and the venue. The concert featured three grade level choirs, LMS Honors Choir, and 43 students singing solos or in small groups. The concert was directed by Carole Conrad, accompanied by Kellie Meyer and cellist Bradley Oeseburg (former LMS Choir student). Paul Milligan and Jon Styf made this concert possible by providing sound engineering.

*P.M. Event Parking	*Staff Parking	*Staff Parking
* Visitor Parking (7:40-2:35)	*P.M. Event Parking	*P.M. Event Parking
If entering the building with or without your child prior to the beginning of the school day, please park in the Red or White Parking Lot. If you are picking your child up in the afternoon, please pull all the way forward in the Red or White Loop. You may also park in the Red or White Lot and wait for your child to come to you.		

Poetry Slam

This spring, eighth graders took part in a Poetry Slam where they recited a poem to the class that they had written. The classmates voted for their top three choices within each hour, and middle school staff members chose the top three poems. This year's top poets are Vivian Rose with first place for "Honey and Glass," Peighton Mooney with second place for "Butterscotch Skin," and Azuzena Martinez-Guitierrez with third place for "My Dream." Congratulations to these poets and thank you to our Poetry Slam judges. Thank you to Forever Books in St. Joseph who provided prizes to the winning poets.

R. James Johnson Award

Lakeshore High School teachers: Katie Woodard, Suzanne Miller, Alaina Kinney, and Sandra Blough.

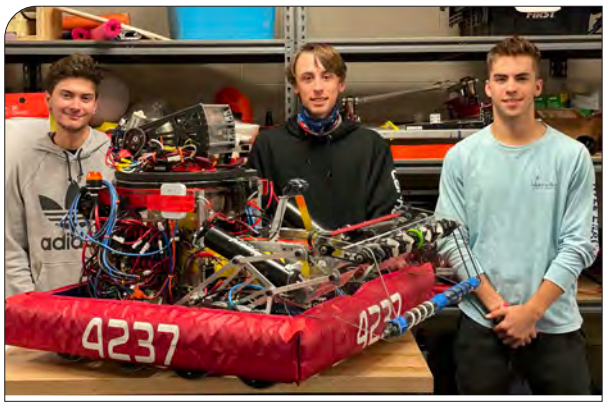
Lakeshore High School teachers Alaina Kinney and Suzanne Miller were awarded the R. James Johnson Award this past June. Two teachers in the district are chosen for the award each year.

Both are members of the high school English Department. "I surprised Alaina! Teachers Heather Caid, Sandra Blough and I all nominated her for the award," stated Miller. "After she accepted the award, she in turn surprised me. I was nominated by Christy Sloan, Alaina Kinney, and Katie Woodard."

Kinney has been at the high school for 15 years. She is in charge of National Honor Society and Prism, Lakeshore's Gay Straight Alliance. She lives on a farm and loves to rescue animals. She has rescued everything from a horse to multiple dogs.

Miller graduated from Lakeshore in 1999 and returned in 2004. She's been at Lakeshore for 17 of her 18 years of teaching. She is the Academic Challenge Coach. Miller has two children who attend Roosevelt Elementary, Henry will be a 4th grader and Adeline will be in first grade.

Lakeshore High School Robotics Team



Lakeshore Robotics Team

Lakeshore Robotics successfully navigated the challenges of 2021 and brought home two awards. The first award was received for the efforts the team put into the INFINITE RECHARGE at Home Challenge. The team placed 4th overall and received the autonomous award sponsored by Ford. The team also participated in the first ever Innovation Challenge presented by Qualcomm. The students created a way to increase active play in local communities by improving an existing product. With tremendous hard work and dedication, the students earned the FIRST Innovation Challenge Semi-Finalist Award.

The Robotics team is looking to have another successful season in 2022.

BCD Winter Concert Mark Your Calendars!

The Berrien County Dancers will hold their Winter Dance Concert on Thursday, December 9 and Friday, December 10 at 7:00 P.M. at Lakeshore High School. Tickets go on sale Monday, November 29. General admission tickets are $5 in advance or $7 at the door. Age 11 and under are free with parent admission! Virtual Viewing may be available, more information at a later date. Call the school at 428-1402, Ext. 2099 to order tickets.

The concert will feature works by Theresa Graziano (BCD Artistic Director), Adam Houston, and members of the Advanced Dance class.

Thanks to the generous support of Lakeshore Public Schools and the Lakeshore Excellence Foundation, Berrien County Dancers will host one guest artist during winter semester. Adam Houston, a company dancer with Giordano Dance Chicago, will be working with all BCD classes. He will also set choreography on the Advance Dancers who will perform his piece at the 2021 Winter Concert.

Paul Emery (11) may appear discombobulated when seen tearing through the hallways, late to class again, his school bag limp while books and papers tumble out of his arms. But, once breathlessly seated, no longer anxious of a tardy-slip, he transforms from a bull and carriage to simply a boy with his backpack.

Emery isn't your average 17 year-old. Spiritual mentor Mr. Mike Gathright mentioned with awe, "he does [everything] with a lot of sincerity, a lot of thoughtfulness. He is at ease with who he is," something that's rare in this bustling world. There's this "emotional authenticity that comes through in everything he does," added English teacher, Ms. Christine Sloan. No matter who it is, Gathright remarked, Emery is "slow to speak, quick to care," allowing lasting relationships to form. Emery's soul shines light through the halls of Lakeshore, and as Sloan commented, "people turn to him like flowers turned to the sun."

Emery "is like an open heart walking through the world, feeling and experiencing everything in this really profound way," Sloan continued. This not only helps his relationships, but his art as well. Emery's inspiration for his art comes "from personal experiences," everyday situations reformed to masterpieces in his extraordinary mind. Multiple pieces by Emery have been featured in the South Bend Art Museum, including his "Beast of Burden" metamorphosis drawing. A piece that illustrates "the metaphorical load you pull as a student," Emery elaborated that school makes him feel "like I was pulling a wagon by my shoulders though the dirt on the Oregon trail." Art however helps relieve this burden, something he wants to continue with for the rest of his life. His art teacher, Ms. Holly Davis, declared that his "kind, upbeat personality makes him easy to work with" allowing Emery to "really do well in whatever he pursues." Through and through it's clear, Paul Emery is, as Ms. Sloan disclosed, "the best of what we can be," leading a bright and colorful life.

Advanced Placement Art 2D students

Inspiring. In 2020/2021 art students everywhere had to be more intrinsically motivated in their lives than any other year, and every single one of the Lakeshore Advanced Placement Art 2D Students scored high enough to earn college credit (3+).

Under the direction of Holly Davis, High School Art Teacher, art students reached for the stars. All kinds of mediums, diverse meaning, and exemplary performance set them above the crowd. Lakeshore art students have shined through it all.
